Has this issue been resolved?

No

Reason Not Resolved:

This is the 3rd day in a row that trays have come in with little to no meat for regular trays, and the cardiac/diet trays have come in with no meat at all. The cardiac trays this evening came in with 4 pieces of bread, 2 pieces of cheese, and no meat. There was also a small portion of dry noodles, and an even smaller portion of fruit. The regular trays had 3 extremely thin slices of bologna, 2 pieces of cheese, 4 pieces of bread, a small piece of cornbread, and a small portion of dry noodles. Not enough protein, vegetables, fruits, etc. We request this be looked at by the Warden, and also that the U.S. Marshals come visit us.
