REASON FOR APPEAL: In response to IGP # 22091885-797:

1- My last IGP was meant to be a formal grievance, but was marked informal by Major Marr. I responded to the informal grievance with a formal. 2- I have put in multiple written requests, electronic requests, and even grievances about haircuts. On 3/11/22, members of C2B who were vaccinated received a haircut, but I was not on the list. After begging 3 officers and the case manager, I was finally allowed to get a haircut. So yes, Major Marr, the IGP process was my correct course of action.
