REASON FOR APPEAL: ON NOV 11, 2021, I, along with many other inmates in C2B were indiscriminately sprayed with OC/pepper spray by LT Moore. This IAP is in response to my Informal and Formal IAP's being ignored on that issue. You can find my detailed description of this incident and how it effected me personally in my initial Informal IAP, which was written electronically. If I'm not mistaken, I was told that this was a "Group Grievance", and had to escalate to a formal showing how this was not a "Group Grievance", and effected me personally. I never received a response. Now, I'm seeking a response from the warden.
