REASON FOR APPEAL:

In Response to Wardens IGP that was sent in by me on 5/24/22, and was not responded to about my water being shut off in my cell in SMU-A by officers as punishment to the inmate next to me. This IGP was "under investigation", and has been under investigation for almost 2 months now. I want an explanation to why I was punished with no water for 20+ hours over the actions of another inmate. I was in SMU over a non-punitive issue.
