Offender:

Food Service

Reason for Complaint:

The cardiac trays received 2 hard boiled eggs, 2 pieces of bread, and rotting apples for their dinner trays. The regular dinner trays were 2 pieces of bread, a slice of bologna, 3-4 small cookies, and a handful of leftover carrots from lunch. This is by far not enough food to sustain the human body, and I'm having to provide my own commissary just to get enough food every day not to go hungry. This food does not hold enough nutritional value, either. Little to no meat comes during the day, but we constantly get loaded with starches and bread. I'd like to request the US Marshals come visit us in C2B so we can speak with them. Thank you
