Time of Incident:

Lunch Tray Delivery (noon)

Offender:

DC DOC

Reason for Complaint:

Today, upon biting into our lunch trays, multiple people spit out their food at the same time, and said that the food tastes and smelled of cleaning supplies. Robert Morss found hairs in his food that looked like pubic hairs, and was brought a new tray. After what happened to Chris Worrell this AM, this feels like a possible attack against us. Sean McHugh said he was threatened with this treatment on the other side of the jail as well. This makes me feel really uncomfortable and scared to eat this food.
