No

Reason Not Resolved:

In response to IGP# 22110122-626 that was sent on 10/11/21, responded to on 10/13/21, and delivered back to me on 10/15/21: The chaplain comes by once a month to our unit to deliver religious pamphlets, bibles, papers, etc. If he can come once a month, can he not also come once a week and deliver a religious service as well? Knowing that my access to religious services are not permitted due to me not being COVID-19 vaccinated feels like direct persecution for choosing not to be vaccinated. I don't have to be vaccinated to meet with my attorney face to face, so why do I have to be vaccinated to meet with a preacher for religious services? I feel like my rights are being violated.
