DC DOC

Reason for Complaint:

Good Afternoon, I am respectfully requesting video visits with my family. I spent 2 weeks in NW3 during the beginning of July, and was allowed video visitation for those 2 weeks. I would like video visitation now as well. I have not seen my wife or kids in months, and should be allowed to see them. I, along with dozens of others in here are being detained with no trial date or end in sight. We want, and should have a right to see our families. Thank you for taking care of this for us, and finding a way to help us have family visitations.
