Dear Mr. Nichols:

This letter is in response to your email on April 24, 2020, regarding a low flying aircraft near Longview, TX. The aircraft in question was flying low over your neighborhood. We understand this aircraft was loud and caused concern for you and your neighbors. Thank you for providing this information and video footage.

We have investigated the incident and have taken appropriate action. We consider this matter closed. However, if you have any additional information that would require further action, please contact this flight standards district office.

If you have any questions or concerns, please do not hesitate to contact this office at (214) 277-8500.

Sincerely,

Jolynn M. Davila
Aviation Safety Inspector
